Course Title: L0968 Logistics Section Chief Train-the-Trainer

The Alabama Emergency Management Agency present this Logistics Section Chief Train-the-Trainer course opportunity. Please carefully review the information below and mark your calendar to attend this in-person training.

We look forward to your participation. Thank you.

Course Objective: Teach the All-Hazards Logistics Section Chief course through the use of lecture, interactive discussion, guided exercises and activities, and practice student teaching.

Course Description: This course is designed to assist the student in his or her preparation to function effectively as under the NIMS/Incident Command System.

Personnel selected to serve as instructors for this course will teach in the field to personnel representing the Nation's first responders and allied professions from various Federal, state, and local organizations.

The audience for the course includes people functioning within the environment of an Incident Management Team (IMT) as fully qualified and have a significant instructional delivery background.

The use of qualified, knowledgeable, and experienced instructors is an important aspect in the successful delivery of AHPS training. The learning experience is heightened when the instructors have real-world experience and have served in the capacity for which they are providing instruction. This experience should include service on a variety of incidents during major operations, planned events, and/or full scale Homeland Security Exercise Evaluation (HSEEP) compliant exercises as determined by the local authority having jurisdiction (AHJ).

Selection Criteria: All applicants for admission into the All-Hazards Position-Specific (AHPS) Train-the-Trainer (TtT) program must:

- Have completed the course they desire to teach prior to applying for acceptance into the Train-the-Trainer program
- Be a fully qualified LSC; completed Position Task Book (PTB)
- Have documented experience serving as a LSC on Type 3, Type 2 or Type 1 AHIMT(S)

ACE: Level: Lower Division/Associate
